

## Teen's Tassel Hat - Free Knitting Pattern

This hat should fit a young adult or woman. It is 18.5" circumference (unstretched) and 8" tall. The top of the hat should fit just about at the top of the head. Hat is knit flat then seamed up the side and top to close.

### Materials:

One skein of Hobby Lobby Yarn Bee Fleece Lite

Size 13 needles.

Yarn needle for sewing up hat and weaving in ends.

Crochet hook to assist the attachment of the tassels.

### Hat:

Cast on 44 stitches.

Knit in a 2x2 ribbing (knit, knit, purl, purl) for 2 inches.

Switch to garter stitch (knit both sides of your work) and knit for approximately 6 more inches or until hat is a total of 8 inches long.

Bind off.

Sew up side seam then sew up top to close.

Weave in ends.

The image to the right shows how the top seam should close as well as the tassel placement at each top corner.

### Tassels:

To make tassels cut 6 strands of yarn approximately 12 inches long. Fold three in half and pull the fold through the stitches of your knitting and back out on the top corner of the hat. The crochet hook can help you poke them through your knitting. Take the loops off the hook and slip the tassel ends through the loop and pull tight to complete the tassel. Repeat for the other corner. I recommend making a small knot in the yarn at the bottom of each tassel to stop it from fraying.
